In this neighborhood, grilling isn't just a weekend thing.

wide shot, car turns into driveway

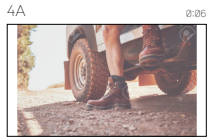

It's a way of life.

after jogger and bikers pass, camera stays wide and begins to slowly move forward, focusing on the car as it parks in front of the house.

Some might call it an addiction,

but we like to call it what it really is...

extreme passion.

reveal the lead character.

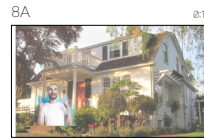

Passion for meat so damn good

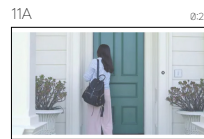

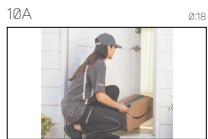

it lifts your body, mind and spirt, while making your boss's overpriced restaurant expenses look bloated. Seriously. How do think I became a VP?

actor begins curling the jug of bbq, delivering his lines, switching between arms to be equal

And I owe it all to those guys, two computer geeks who had a dream of eating better meat.

after cringing from the explosion, lead character turns to camera.

That's just Shelly. She's a bit of a pyro, but she's a good neighbor.

It's always a good idea to have a good home insurance plan.
